THOMAS F. STARK

President, Winona State University
1983-1988

"Athletics are promoted on our campus because we believe they contribute significantly to the spirit and life of our University." Thomas F. Stark, '85

President Thomas F. Stark, President of Winona State University 1983-88 passed away suddenly August 21, 1988. His untimely death leaves a void at the University that will be difficult to fill. He was a personal friend to many people in the State of Minnesota; particularly in Southeastern Minnesota and especially in the city of Winona and at Winona State University. He was a strong supporter of many programs at the University and a very visible patron of those University activities he dearly loved to attend. We will miss his presence and we realize how fortunate we were to have had his guidance at the University.

TODAY'S GAME

Today's homecoming game will be a battle between 2 teams that are going in 2 different directions. Michigan Tech is 4-1, while the Warriors are 0-6.

Last week the Warriors played the best game of the year, but still came up short at Moorhead State. In contrast, Michigan Tech traveled to Bemidji State and beat them quite handily.

Offensively, the Huskies are led by Senior running back Mike Rybicki. He is averaging just over 100 yards a game. Sophomore Jim Stewart will call the plays for Michigan Tech.

Defensively, Michigan Tech is led by linebackers Dave Graff, and Mark Rostango.

The Warrior offense will again be led by sophomore Derek Zaugg. The Warrior rushing attack is led by Tim Anderson and Pete Brown. Senior Kevin Gaulke leads an arsenal of fleet-footed receivers.

Defensively the warriors are led by linebacker Scott Girolamo and Brad Sprang.

Welcome to Winona State University — the home of the Winona State Warriors. Each Saturday provides an opportunity for you to see the Warrior team in action as they compete against the strong Northern Intercollegiate teams. This year our Warrior football team will be playing 11 games — 5 of them at home and 6 away. During the past year Warrior Athletic teams at Winona State University participated in conference, district, area and national competition. The Baseball team provided national recognition in the NAIA National Baseball Championships. During the year you should make an effort to see as many Warrior athletic events as possible. After the game, take time to visit the campus and the beautiful areas surrounding the city of Winona. Athletics is truly a part of the total educational process and through your continued support and attendance at our athletic events it will further substantiate the importance of these programs in our colleges and universities.

Can't Beat It

During Winona State University's 129 year history, many athletes, coaches, athletic directors and faculty representatives have contributed to the distinction of the university. To honor these people, Winona State developed an Athletic Hall of Fame.

The purpose of this organization is to pay tribute and give recognition to those people who have shown distinctive, unique or exceptional ability while on campus and since graduation.

The program is being coordinated through the Intercollegiate Athletic Departments at Winona State.

Criteria for the induction of athletes to the WSU Hall of Fame include:

1. The athlete must be a letter winner as reflected in official university records.
2. Must be a graduate of Winona State University (but waiver is possible under certain conditions.)
3. There must be a lapse of at least 10 years since the athlete last participated at Winona State. The board of directors has authority to give earlier consideration in outstanding or unusual cases.
4. While athletic achievement is of prime importance, moral character and good citizenship during

both undergraduate and postgraduate years will be taken into consideration.

5. Outstanding accomplishments after leaving Winona State will also be a factor in making selections.

6. Alumni-athletes serving on the selection committee may not be considered for induction while serving in that capacity.

Criteria for induction of coaches:

1. No member of the committee will be eligible for induction while serving on the committee.
2. Five years must have elapsed after the completion of a candidate's tenure as coach at WSU.
3. There must be examples of good character and citizenship in a candidate.
4. Other factors that will influence the selection of a coach for induction include the won-lost record, length of coaching career at WSU, concern for welfare of the players, achievements of former players under the coach's direction and outstanding achievements after leaving Winona State.

There will also be an Honorary Induction for those who have made an outstanding contribution to Winona State's athletic program.

Winona State University Warriorettes

The Warriorettes are an enthusiastic, hardworking group of twenty-seven girls from Winona State University that work 2 hours per day, every weekday. Halftimes at Football and Basketball games are when they are usually found performing their 3 minute long precision dances. Obviously, they love it...and it shows in their ability to dance as a group...together.
